

CURRICULUM VITAE

June 2014

Bruce Michael McCormack, M.D.

Neurospine Institute
www.neurospine.org
www.nosweatsurgery.com
2320 Sutter Street, Suite 202
San Francisco California 94115
(415) 923-9222

- Education** Brown University, BA, 1978-1982
Columbia University College of Physicians and Surgery, 1982-1986
- Internship** Mount Sinai Hospital, Intern in General Surgery, 1986-1987
- Residency** New York University Medical Center, Resident in Neurological Surgery, 1987-1992
- Fellowships** University of Florida, Spine Fellow and Neurosurgery Clinical Instructor, 1/93-7/93

University of New Mexico, Spine Fellow and Neurosurgery Clinical Instructor, 1/93-7/94
- Experience** Director of U.C.S.F NeuroSpinal Surgery Service Assistant Professor of Neurosurgery,
2/94-3/98
- Board Certification** American Board of Neurological Surgery: May 1998
- Medical Licensure** New York No: 173429-1
New Mexico No: 93-328
California No: G 078326
California Qualified Medical Examiner QME No: 919777
- Professional Societies** American Association of Neurological Surgeons,
Congress of Neurological Surgeons
San Francisco Medical Society
California Medical Association
North American Spine Society
Cervical Spine Research Society
- Research Awards** Viets Medical Student Fellowship Award: The Immunology
of Penicillamine Induced Myasthenia Gravis 1983

NIH Medical Student Research Fellowship: The role of the locus caeruleus in cerebral
blood flow and metabolism derangement after subarachnoid hemorrhage 1985

UCSF Academic Senate and REAC Awards: Evaluation of MK-801 and NBQX NMDA
receptor antagonists in an epidural indentation brain injury model 1994-95

Publications

1. McCormack BM, Swift DM, Hegemann MT, Solomon RA: Increase in Norepinephrine Synthesis in the Cerebral Hemispheres of Rats following Subarachnoid Hemorrhage. *Brain Research* 382:395-598, 1986
2. Solomon RA, McCormack BM, Lovitz RN, Swift DM, Hegemann MT: Elevation of Brain Norepinephrine Concentration after Experimental Subarachnoid Hemorrhage. *Neurosurgery* 19:363-366, 1986
3. McCormack BM, Cooper PR, Persky M, Rothstein S: Extracranial Repair of Cerebrospinal Fluid Fistulas: Technique and Results in 37 Patients. *Neurosurgery* 27:412-418, 1990
4. McCormack BM, Cooper PR, Louie E, Koslow M: Management of Intracranial Mass Lesions in AIDS Patients. *Contemporary Neurosurgery*. Vol. 12, Number 10, 1990
5. McCormack BM, Miller DC, Budzilovich GN, Vorhees GJ, Ransohoff, J: Treatment and Survival of Low Grade Astrocytoma in Adults 1977-1988. *Neurosurgery* 31:636-642, 1992
6. Benzel EC, Rupp FW, McCormack BM, Baldwin NG, Anson JA, Adams MS: A comparison of fluoroscopy and CT-derived volumetric multiple exposure transmission holography for the guidance of lumbar pedicle screw insertion. *Neurosurgery* 37:711-716, 1995
7. McCormack B, Rupp FW, Baldwin NG, Adams M, Maher DJ: Anatomy of the Thoracic Pedicle. *Neurosurgery* 37:303-308, 1995
8. McCormack B, Weinstein P: Cervical Spondylosis-An update. *Western J Med* 165:43-51; 1996
9. McCormack B, Taylor S, Heath S, Scanlon J: CSF fistula/Pseudomeningocele in a patient with lumbar spinal implant treated with percutaneous epidural blood patch and a brief course of CSF diversion. *Spine* 21: 2273-2279, 1996
10. Manley GT, Lieberman D, Wachhorst S, Beck C, Chestnut R, McCormack B: Odontoid Screw Fixation: Results in 45 patients and comparative analysis of alternative techniques. *J Neurosurgery: Spine* (submitted)
11. Lieberman DM, Eichbaum E, Lamborn K, Gulla V, McCormack B, Risks, benefits, and alternatives to the use of posterior transarticular facet screws for atlantoaxial arthrodesis. *J Neurosurgery: Spine* (submitted)
12. Mummaneni PV, Pitts LH, McCormack BM, Corro JM, Weinstein PR: Microsurgical treatment of symptomatic sacral Tarlov Cysts. *Neurosurgery*, 47:74-79, 2000
13. Bruce McCormack MD, William Bowen MD, Stephen Gunther MD, Jonathan Linthicum MD, Michael Kaplan MD, Edward Eyster MD.: Carpal Tunnel Release Using MANOS CTR System: Preliminary Results in 52 Patients. 2012
14. Gregory Buncke MD, Bruce McCormack MD, Marko Bodor MD.: Ultrasound-Guided Carpal Tunnel Release using the MANOS CTS System. Volume 33, Issue 5, pages 362-366, July 2013. *Microsurgery*.
15. Bruce McCormack MD, Rafael C. Bundoc MD, Mario R. Ver MD, Jose Manuel F. Ignacio MD, Sigurd Berven MD, and Edward Eyster MD.: Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients. January 2013
16. Bruce McCormack, MD.: Carpal Tunnel Release Using the MANOS CTR System. In: *Carpal Tunnel Syndrome. Risk Factors, Symptoms and Treatment Options*. 2014 Nova Science Publishers, Inc. Nova Biomedical. Chapter 2 pages 15-32.

Chapters

1. McCormack BM, Cooper PR: Head Injury. In: Habal MB, Ariyan S, ed., Facial Fractures. Toronto: BC Decker Inc, 1989, pp 57-97
2. Nockels R, McCormack B: Diagnosis and management of thoracolumbar and lumbar spine injuries, In: Youmans JR, ed., Neurological Surgery ~ Vol. 3, W.B. Saunders, 1995 pp. 2079-2096
3. McCormack BM, Cooper PR: Traumatic Cerebrospinal Fluid Fistulas. In: Narayan RK, Wilberger P, Povlishock JT, ed., Neurotrauma. New York, McGraw-Hill Inc, 1995 pp. 507-522
4. McCormack BM, Macmillan M, Fessler R: Management of thoracolumbar and sacral injuries. In: Tindall G, Barrow DL, Cooper PC, ed., The Practice of Neurosurgery. Baltimore: Williams and Wilkins, 1996, pp. 1721-1740
5. Benjamin V, McCormack BM: Tuberculum Sellae and Medial Sphenoidal Ridge Meningioma. In: Schmidek HH, Sweet WH, ed, Operative Neurosurgery techniques, 3rd ed, Orlando: Grune & Statton Inc, 1995, pp 403-414
6. McCormack BM, Maher DJ, Fessler R: Anterior Approaches to the Lumbar Spine. In: Menezes AH, Sonntag VKH, ed., Principles of Spinal Surgery. New York: McGraw-Hill Inc, 1995, pp. 854-865
7. McCormack B, Kalfas IH, Zide B: Cerebrospinal fluid fistula and pseudomeningocele after spinal surgery. In: Benzel EC, ed., Spine Surgery: Techniques, Complication Avoidance and Management. New York, Churchill, Livingstone, 1999, pp. 1465-1474
8. Kalfas IH, McCormack B: Intraoperative imaging of the spine. In: Benzel EC, ed., Spine Surgery: Techniques, Complication Avoidance and Management. New York, Churchill Livingstone, 1999, pp. 1221-1231
9. Eichbaum E, Matz P, McCormack B: Management of thoracic spine infections. In Benzel EC, Stillerman C, ed., The Thoracic Spine. New York, Churchill Livingstone, 1999, pp. 577-596
10. Bruce McCormack MD, William Bowen MD, Stephen Gunther MD, Jonathan Linthicum MD, Michael Kaplan MD and Edward Eyster MD.: Carpal Tunnel Release Using MANOS CTR System: Preliminary Results in 52 Patients. 2012
11. Iain H. Kalfas MD, Bjorn Lobo MD, Bruce M. McCormack MD, Barry M. Zide MD.: Cerebrospinal Fluid Fistula and Pseudomeningocele after Spine Surgery. In Edward C. Benzel. Spine Surgery Techniques, Complication, Avoidance and Management, Third Edition, Volume 2. Elsevier Saunders. Chapter 200 pages 1905-1909. 2012.
12. Bruce McCormack, MD.: Carpal Tunnel Release Using the MANOS CTR System. In: Carpal Tunnel Syndrome. Risk Factors, Symptoms and Treatment Options. 2014 Nova Science Publishers, Inc. Nova Biomedical. Chapter 2 pages 15-32.

Abstracts

1. Solomon R, McCormack B, Lovit R, Swift D, Hegemann MT: Activation of the locus caeruleus after subarachnoid hemorrhage. 11th International Joint Conference on Stroke and Cerebrocirculation. San Francisco, CA, February 1986
2. McCormack BM, Miller DC, Budzilovich GN, Ransohoff J: Pathology and Survival of Low Grade Glioma. 11th Annual International Congress of Neuropathology, March 1990

3. Benzel EC, Rupp FW, McCormack BM, Baldwin NG, Anson JA: A Comparison of Fluoroscopy and CT Derived Holography for the Guidance of Lumbar Pedicle Screw Insertion. The Rachidian Society 2nd Annual Meeting, Hawaii, March 1994
4. McCormack B, Rupp FW, Baldwin NG, Adams M, Maher DJ: Anatomy of the Thoracic Pedicle. 11th Annual Meeting of the Joint Section on disorders of the spine and peripheral nerves. Phoenix, Arizona, February 1995
5. Adams MS, Benzel EC, McCormack BM, Baldwin NG, Maher DJ: Anatomic considerations regarding the dentate ligament: A cadaver study. 11th Annual Meeting of the Joint Section on disorders of the spine and peripheral nerves. Phoenix, Arizona, February 1995
6. Malone DG, Benzel EC, Baldwin NG, Adams MS, McCormack BM, Caruso JR: The outrigger attachment for vertebrectomy with posterior instrumentation. Rocky Mountain Neurosurgical Society Sun Valley, Idaho, June 1995
7. Benzel EC, Rupp FW, McCormack BM, Baldwin NG, Anson JA: Holographic definition of pathological spinal anatomy: A case report. AANS Annual Meeting, Orlando, Florida, April 1995
8. McCormack BM, Taylor SL, Heath S, Scanlon J: Pseudomeningocele/CSF fistula in patients with lumbar spinal implants treated with epidural blood patch and a brief course of closed subarachnoid drainage. Congress of Neurological Surgeons, San Francisco, California, October 1995
9. McCormack BM, Taylor SL, Heath S, Scanlon S: Smoking Cessation in Elective Spinal Fusion candidates. Congress of Neurological Surgeons, San Francisco, California, October 1995
10. Sundaresan S, McCormack B, McDermott M, Nockels R, Weinstein P: Placement of pedicle screws using frameless stereotaxy in a cadaver. Congress of Neurological Surgeons, San Francisco, October 1995
11. McCormack BM, Nockels RP, Weinstein P, Sundaresan S, Hu SS, Scanlon J: Fixation of lumbar vertebra with both pedicle. Screws and laminar hooks: An instrumentation technique for thoracolumbar fractures. Congress of Neurological Surgeons, San Francisco, California, October 1995
12. Nockels RP, Kim D, Cobbs C, McCormack B, McDermott M: Early stereotactic experience with the spine and spinal cord. Congress of Neurological Surgeons, San Francisco, California, October 1995
13. Eichbaum E, Rezai A, Nockels R, Cooper P, McCormack: Initial Circumferential Surgery for Cervical Osteomyelitis: Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1997 .
14. McCormack B, Eichbaum E, Marinchak T, Sparks C, Gulla V: Trans-Cervical Odontoidectomy: A New Surgical Technique. Congress of Neurological Surgeons, New Orleans, Louisiana, September 1997
15. Eichbaum E, Rezai A, Woo H, Nockels R, Cooper P, McCormack B: Initial Circumferential Surgery for Cervical Osteomyelitis. North American Spine Society, New York City, New York, October 1997
16. Lieberman D, Gulla V, Lamborn K, McCormack B: Risks, benefits and alternatives to posterior transarticular screw fixation for atlantoaxial instability. AANS Annual Meeting, Philadelphia, Pennsylvania, April 1998
17. McCormack B, Lieberman D, Eichbaum E, Beck C, Wachhorst, Manley GT: Odontoid Screw Fixation: Results in 36 patients and comparative Analysis of Alternative techniques. The Western Neurosurgical Society. Napa, California, November 1998

18. Lieberman D, McCormack B, Pitts L, Sluckey A, Weinstein P: Is anterior resection of odontoid pseudotumor necessary for reversal of myelopathy. The Western Neurosurgical Society. Napa, California, November 1998
19. McCormack B, Eichbaum E, Chestnut R, Manley G, Jacobs A, Lieberman D : Odontoid Screw Fixation: Treatment and Results in 41 patients. North American Spine Society, San Francisco, California, October 1998
20. Lieberman D, McCormack B, Eichbaum E: Should placement of posterior transarticular screws be the initial surgical procedure for atlantoaxial arthrodesis? North American Spine Society, San Francisco, California, October 1998
21. Manley G, McCormack B: Odontoid Screw Fixation in the Elderly. AANS Annual Meeting, New Orleans, Louisiana, April 1999
22. Manley G, Katz J, Anchetta M, Shapiro W, McCormack: Postoperative Airway Complications in a Series of 599 Cervical Spine Surgical Procedures. AANS New Orleans, Louisiana, March 1999
23. McCormack B, Manley G: Non-linear Tapered Lag Screw Design for Odontoid Fracture Fixation. International Society for Neurosurgical Instrumentation Inventors II, Las Vegas, Nevada, March 1999
24. McCormack B, Cheng L, Yingling C, Gardi J: Intraoperative nerve monitoring to prevent Homer's syndrome from endoscopic sympathectomy for hyperhydrosis. The Western Neurosurgical Society, Coeur d'Alene, Idaho, 1999
25. McCormack B, Cheng L, Yingling C, Gardi J: Intraoperative nerve monitoring to prevent Homer's syndrome from endoscopic sympathectomy for hyperhydrosis. Congress of Neurological Surgery, Boston, Mass., Oct 30-Nov 4, 1999
26. Mummaneni P, Pitts L, McCormack B, Corroo J, Weinstein P: Microsurgical treatment of symptomatic Sacral Tarlov Cysts. Congress of Neurological Surgery, Boston, Mass., Oct 30-Nov 4, 1999
27. McCormack B, Cheng L: Surgical Management of Os Odontoideum. Congress of Neurological Surgery, Boston, Mass., Oct 30-Nov 4, 1999.
28. McCormack B, Cheng L, Jablon D, Small M: Thorascopic Assisted Spinal Surgery: A technique for the general neurosurgeon. The Western Neurosurgical Society, Mauna Lani Bay Hotel, Hawaii, September 9-12, 2000
29. Moore C, Gardi J, McCormack B, Cheng L: Intraoperative monitoring during endoscopic sympathectomy for relief of hyperhydrosis. American Society of Neuro-monitoring. San Diego, May, 2000
30. Bruce McCormack, MD William Bowen MD, Stephen Gunther MD, Jonathan Linthicum MD, Michael Kaplan MD and Edward Eyster MD.: Carpal Tunnel Release Using MANOS CTR System: Preliminary Results in 52 Patients. 2012
31. Bruce McCormack MD, Rafael C. Bundoc MD, Mario R. Ver MD, Jose Manuel F. Ignacio MD, Sigurd Berven MD, and Edward Eyster MD.: Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients.

Selected Invited Presentations

1. Invited Speaker, Minor Head Injury Conference, "Neurosurgical Management of the Head Injured Patient." Manhattan VA Hospital, New York City, New York, June 1992
2. Course Instructor, Practical techniques in Spinal Instrumentation, University of Florida Departments of Neurosurgery and Orthopaedic Surgery, Orlando, Florida, May 1993

3. Course Instructor, AANS Professional Development Course on "Surgical Exposure of the Spine", Albuquerque, New Mexico, November 1993
4. Course Instructor, AANS Professional Development Course on "Spine Surgery: A Comprehensive Approach Hands-On.", Albuquerque, New Mexico, May 1994
5. Course Instructor and Invited Speaker, "Anterior Cervical Spine, Anatomy and Instrumentation", Practical techniques in Spinal Instrumentation, University of Florida Departments of Neurosurgery and Orthopaedic Surgery, Orlando, Florida, September 1994
6. Course Instructor, Thoracolumbar Instrumentation, Congress of Neurosurgeons, Annual Meeting, Chicago, Illinois 1994
7. Invited Speaker, 19th Annual Neurosurgery Postgraduate Course, Thoracolumbar Injuries: Medical versus Surgical Management. San Francisco, California, December 1994
8. Invited Speaker, Thoracolumbar Injuries, Medical Staff Grand Rounds, Community Hospital of the Monterey, California, November 1994
9. Course Instructor, Posterior Thoracolumbar Instrumentation, AANS 11th Annual Meeting of the Joint Section on disorders of the spine and peripheral nerves. Phoenix, Arizona, February 1995.
10. Course Instructor, Thoracolumbar Instrumentation, AANS Annual Meeting, Orlando, Florida, April 1999
11. Invited Speaker, Advances in Spinal Surgery, Kentfield Rehabilitation Hospital, Kentfield, California, October 1995
12. Course Faculty, Percutaneous Spinal Techniques, Congress of Neurological Surgeons Annual Meeting San Francisco, California, October 1995
13. Course Instructor, Introduction to Thoracolumbar Stabilization, Congress of Neurological Surgeons Annual Meeting, San Francisco, California, October 1995
14. Invited Lecturer, Spine Update Seminar for Nurses, Congress of Neurological Surgeons Annual Meeting San Francisco, California, October 1995
15. Invited Lecturer, Comprehensive Spine Review: National Center for Advanced Medical Education, "Pathophysiology and treatment of lumbar and lumbosacral degenerative instability and degenerative disc disease" and "Spinal infection: epidural abscess, discitis, osteomyelitis", Chicago, Illinois, November 1995
16. Invited Speaker, Indications for surgical treatment of back pain, Kentfield Rehabilitation Hospital Neurosurgery Advisory, Kentfield, California, October 1995
17. Course Instructor, Introduction to Thoracolumbar Stabilization, AANS 1996 Annual Meeting, Minneapolis, Minnesota, April 1996
18. Instructor, Introduction to Thoracolumbar Stabilization, Congress of Neurological Surgeons, 46th Annual Meeting, San Diego, California, August 1997
19. Instructor, Surgical Exposure of the Thoracic and Lumbar Spine, Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1996.
20. Course Director, Minimally Invasive Spinal Surgery, Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1997.

21. Course faculty, Lumbosacral Instrumentation and Fusion: Screws, Dowel and Cage Technology. Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1997
22. Course Moderator, Consultants Comer: Thoraco-lumbar fractures, Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1997
23. Course Speaker. Biomechanics Made Ridiculously Simple. Congress of Neurological Surgeons, 47th Annual Meeting, New Orleans, Louisiana, September 1997
24. Course Instructor, Introduction to Thoracolumbar Stabilization, AANS Annual Meeting, Philadelphia, Pennsylvania, April 1998
25. Instructor, Surgical Exposure of the Thoracic Spine, AANS Annual Meeting, Philadelphia, Pennsylvania, April 1998
26. Invited Speaker, Atlantoaxial Arthrodesis. Stanford Department of Neurosurgery Grand Rounds, Palo Alto, California, June 1998
27. Instructor, Minimally Invasive Lumbar Spinal Surgery. Congress of Neurological Surgeons. The 48th annual Meeting of the Congress of Neurological Surgeons, Seattle, Washington, October 1998
28. Instructor, Surgical Exposure of Thoracic and Lumbar Spine. Congress of Neurological Surgeons. The 48th Annual Meeting of the Congress of Neurological Surgeons. Seattle, Washington, October 1998
29. Instructor, Lumbosacral Instrumentation and fusion: Cages, Dowels and Screws. Congress of Neurological Surgeons. The 48th Annual Meeting of the Congress of Neurological Surgeons. Seattle, Washington, October 1998
30. Faculty, Thoracic and Lumbar Stabilization and Fusion Practical Clinic. AANS Annual Meeting, New Orleans, Louisiana, May 1999
31. Co-Moderator: Fessler RG, McCormack B: Scientific Session IV B: Spinal Surgery. International Society for Neurosurgical Instrument Inventors II, Las Vegas, Nevada, May 1999
32. Course Faculty. Spine Surgery-Hands on: A Comprehensive Approach for Neurosurgeons and Neuroscience Nurses. AANS Professional Development Course. Albuquerque, New Mexico, May 1999
33. Instructor, Minimally Invasive Lumbar Spinal Surgery. Congress of Neurological Surgeons. The 49th annual Meeting of the Congress of Neurological Surgeons, Boston, Mass, November, 1999
34. Luncheon Seminar Speaker: Anterior Approaches to the skull Base. Congress of Neurological Surgeons. The 49th Annual Meeting of the Congress of Neurological Surgeons, Boston, Mass, November, 1999
35. Invited Speaker Hand H Seminars: Surgical Management of Hyperhydrosis. Las Vegas, Nevada, May 2000
36. Invited Speaker: Thoroscopic sympathectomy for hyperhydrosis. XLVII Annual Symposium of the Medical Society of the United States and Mexico. San Francisco, CA, October 18-21, 2000
37. Invited Speaker: Minimally Invasive Spinal Surgery. San Luis Obispo Hospital "Spine Day" April 2000
38. Invited Speaker and Course Director. "Kyphoplasty" First World Congress of Minimally Invasive Surgery, Alexis Park Resort Hotel, Las Vegas, Nevada, Dec 7-10, 2000

39. Instructor, Minimally Invasive Lumbar Spine Surgery. Congress of Neurological Surgeons, The 50th annual Meeting of the Congress of Neurological Surgeons, 2000
40. Instructor, Minimally Invasive Lumbar Spine Surgery. Congress of Neurological Surgeons, The 51th annual Meeting of the Congress of Neurological Surgeons, 2002
41. Instructor, Minimally Invasive Lumbar Spine Surgery. Congress of Neurological Surgeons, The 52th annual Meeting of the Congress of Neurological Surgeons, 2003
42. Instructor, Minimally Invasive Lumbar Spine Surgery. Congress of Neurological Surgeons, The 53th annual Meeting of the Congress of Neurological Surgeons, 2004
43. Instructor, Minimally Invasive Lumbar Spine Surgery. Congress of Neurological Surgeons, The 54th annual Meeting of the Congress of Neurological Surgeons, 2005
44. Instructor, Global Spine Course, San Francisco Ca, 2005
45. Director-North for CANS Board of Directors, 2007
46. Case discussion: When is Minimally Invasive Enough?
Panel: Hsu, Andrews, McCormack, Tay, Saal, 2007
47. Invited Speaker: “Carpal Tunnel Syndrome: Old and New Treatments”
Connecticut Orthopaedic Society, 2011 Annual Meeting, May 13, 2011, Farmington, CT
48. e-Poster Presentation. AANS/CNS. “Carpal Tunnel Release Using the MANOS CTR System: Preliminary Results in 52 Patients”. Orlando, FL. March 7-10, 2012.
49. Invited Speaker. “Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients”. Neurosurgical Society of America. Park City, Utah. June 10-13, 2012.
50. Invited Speaker: ACNS (Asian Congress of Neurological Surgeons) 2012. ” Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients”. September 2-5, 2012. Istanbul, Turkey.
51. Invited Speaker. ACNS (Asian Congress of Neurological Surgeons) 2012. “Carpal Tunnel Release Using the MANOS CTR System: Preliminary Results in 52 Patients”. September 2-5, 2012. Istanbul, Turkey.
52. Invited Speaker. The Western Neurosurgical Society. “Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients”. Annual Meeting. September 10, 2012. Colorado Springs, CO.
53. Invited Speaker. The Western Neurosurgical Society. “Carpal Tunnel Release Using the MANOS CTR System: Preliminary Results in 52 Patients”. Annual Meeting September 7-10, 2012. Colorado Springs, CO.
54. Invited Speaker. Golden Jubilee Congress of the Asia Pacific Orthopaedic Association (APOA) 2012. “Percutaneous Posterior Cervical Fusion with DTRAX Facet System for Single Level Radiculopathy – Results in 60 Patients”. October 3-6, 2012. New Delhi, India.
55. Invited Speaker. Golden Jubilee Congress of the Asia Pacific Orthopaedic Association (APOA) 2012. “Carpal Tunnel Release Using the MANOS CTR System: Preliminary Results in 52 Patients”. October 3-6, 2012. New Delhi, India.

56. Invited Speaker. Rome Spine 2012, VII Annual Congress. "DTRAX: indication, clinical results, complications". December 6-7, 2012. Via Aurelia Antica, 414 – Roma.

57. Invited Moderator. B. McCormack (USA) and P.P.M. Menchetti (Firenze). Nuove Technologie Terapeutiche. VII Congresso Annuale. Rome Spine 2012.

58. Invited Speaker. 7th German Spine Conference 2012. "DTRAX: indication, clinical results, complications". December 6-8, 2012. Stuttgart, Germany.
